

2023-2024 Integrated Action Plan Overview

Principle 2 - Effective Teachers and Instruction (K-3 Literacy)

SMART Goal:

Thirty five percent of Quentin STEM Academy students in kindergarten through third grade will demonstrate mastery on the Fastbridge reading assessment as measured by the beginning to end of the year Fastbridge assessment.

Primary Need:

To increase literacy skills.

Root Cause:

Teachers need more professional development on intentionally planning for rigorous instruction.

Desired Outcomes:

Teachers will have a deep understanding of the standards and plan for rigorous instruction.

Strategies and Action Steps

Implementation and Monitoring Activities:

- Targeted professional development for literacy instruction
- Collaborative time to monitor essential standards data and plan for interventions/enrichment

Success Criteria/Evidence:

- Increase student achievement scores in ELA

Principle 2 - Effective Teachers and Instruction (4-8 Math)

SMART Goal:

Seventy percent of Quentin STEM Academy students in fourth through eighth grade will make typical or high growth from the pre to post-math test by May 2024.

Primary Need:

To increase math achievement

Root Cause:

Teachers need more professional development on intentionally planning for rigorous instruction.

Desired Outcomes:

Teachers will have a deep understanding of the standards and plan for rigorous instruction.

Strategies and Action Steps

Implementation and Monitoring Activities:

- Targeted professional development for math instruction
- Collaborative time to monitor essential standards data and plan for interventions/enrichment

Success Criteria/Evidence:

- Increase student achievement in math

Principle 3 - Effective Organization of Time (Professional Learning Communities PLCs)

SMART Goal: Teachers at Quentin STEM Academy will improve their instructional practice in student engagement, using the Littleton Key Instructional Practices rubric, as measured by a pre and post-recording self-reflection.

Principle 6 - Family and Community Engagement (Student Attendance)

SMART Goal: Quentin STEM Academy will have less than 27.7% chronically absent students by the end of the 2023-2024 SY.
